

## **Jeannine Solanto, CEO, speaks at IT Services Business Summit**

**July 9, 2003 - (SAN JOSE, CA)** – Staffing Industry Analysts, the industry’s main trade organization, hosted the 2003 IT Services Business Summit for technology staffing executives.

The producers of the conference asked Jeannine Solanto, CEO of Foundation Systems, to address the crowd on “Accelerating Your Firm’s Top and Bottom Line.” Jeannine shared a panel with two executives from \$80M and \$400M staffing firms. Jeannine educated the crowd on maintaining a “client service through quality recruitment and follow through.” She gave numerous examples to the crowd on how Foundation has seen success through subcontracting to the large on-site staffing firms at Fortune companies as well as the basics of recruiting 101.

### **About Foundation Systems**

Founded in 1999, Foundation Systems leverages its global operations, seasoned executive team, and certified woman-owned business status to recruit contract workers for Fortune 1000 firms through partnerships with vendor-neutral providers.
